We guarantee that your equipment will not be resold, or that any parts from your equipment will not be resold. We will not charge any

fees for our technical service in repairing your equipment for donation.

We guarantee that any personal information that is stored on your computer will be erased or physically destroyed to protect your privacy.

We guarantee that your equipment, if able to be repaired, will be donated free of any charges to a person that otherwise could not afford this equipment. A third party, not affiliated with our company, will decide who gets this equipment.

We guarantee that any equipment unable to be repaired, or parts unable to be used, will be disposed of in an environmentally positive manner through a local recycling company.
